Dear Jon:

Thanks again for the great performance at our College's 35th Anniversary and name change dinner event! Your show exceeded our expectations! We still have people saying, "how did he do that" and "that was the greatest thing we've done in a long time."

It was our first time planning and executing an event of this kind, and I am thrilled it went so smoothly. We were impressed that you remembered so many sound bites and incorporated them into the performance. Thank you for taking time out to learn more about the College and its people.

As discussed over the phone, there were persons interested in your show. The first is John [REDACTED] from Pepsi [REDACTED]. His address is as follows: [REDACTED]
[REDACTED] The second is Terry [REDACTED]
Executive Director of the Ohio Association of Community Colleges, [REDACTED]
[REDACTED]

Lastly, we will keep your name at the forefront as we move into the next phase of planning for the College's future. I am sure we could all benefit from your enthusiasm and look forward to talking with you again. Please also advise if I can be of any help in sharing your information here in our area. I'd be glad to do that.

Sincerely,

Janet Smith
