

Audio and Video Overview for Jon Petz

1. Audio Requirements:

- Jon travels with wireless Countryman E6 microphone and necessary adaptors to be used with *Shure, Sennheiser and Audio Technica* systems.
- One wireless handheld microphone on stand for audience interaction.
- Professional vocal and audio is critical to the success of your event. Performer uses multiple room-filling audio files cued via Speakers laptop and recommends (and carries) a direct box if one isn't available. Laptop can reside at production front-of-house or on stage.

2. Video & Graphic Projection:

- Performer will project graphics/video via a Mac laptop computer and carries VGA, Digital and HDMI Mac adaptors for connection.

3. Live Camera Feed / Image Magnification (if applicable):

- If a live video feed is being projected via iMag, Jon highly suggests a scheduled 15 minutes of rehearsal with camera operators and director.

4 Stage:

- Performer will require audience access during the keynote and audience members will participate on stage. Recommend that the audience be kept as close to stage as possible. (No "moat" or "dance floor" recommended in front of stage).
- Speaker does not require a Lectern / Podium. If one is used for other presenters, it should **not** be positioned stage center, or be movable, to enable audience participation at center stage.
- Performer will utilize the full stage. If lighting washes don't fill the stage, please inform Jon onsite of any areas he should avoid.

5 Other:

- a. A standard catering tray stand ("Tray Jack") on stage with a covering linen. No tray – just the stand. (Yes, really that simple)
- b. One stool or high top chair on stage center if available, not required.
- c. Food should NOT be served or cleared during presentation.
- d. Four (4) armless and non-rolling chairs to be used on stage if "team member levitation" is being presented.
- e. Water is appreciated if available.
- f. Access to conference bookstore will be provided, or, a small table at the back of the room by main exit doors for book display and related material.
